Supetar town is known for its lively cultural life with concerts, theatrical shows and other events that are organized as part of the Supetar Summer Festival.

Zlatni Rat, famed beach in Bol on the southern side of the island, is the best known and the most beautiful beach in Croatia.

The island is also known for its culinary specialties such as the famous Brac lamb, which is served almost everywhere.

The word wine is written big on Brac. And since Plavac mali, Croatian indigenous sort, has been planted on Brac for centuries, today these grapes are replanted in bigger quantities, along with other sorts like Posip, Vugava, Chardonnay, and Merlot.
