The small towns of Portoroz and Piran offer lots of possibilities for active holidays - cycling, hiking, nordic walking, water sports, panoramic flights...

The Slovenian coast is riddled with pebble beaches and charming coastal towns.

You can find everything from extravagant resort towns to hidden cliff side bays.

The beach of Portoroz is surrounded by grand seaside resorts and a wide selection on restaurants, shops and cafés.

Portoroz & Piran are the centre of an incredible part of the Mediterranean on the western coast of the Istrian peninsula.

Portoroz, a city with a holiday atmosphere, lies in a leeward bay and has a very pleasant climate due to its proximity to the sea.

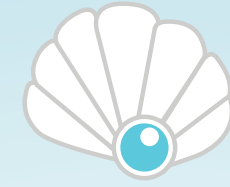

The neighbouring, ancient city of Piran is one of the most beautiful Mediterranean cities and one of the best preserved historic cities in Europe.
